**NOTE; PLEASE ATTACH A VOIDED CHECK FROM YOUR BANK ACCOUNT**

I do hereby request and authorize Pigeon Forge Utility Department to draft my checking account, as listed above, for the purpose of paying my water/sewer bill due for the current month's bill. I further agree that my utility bill may vary each month according to the amount of usage. I agree that the utility shall be fully protected in honoring such draft. I agree that the utility shall be under no obligation to furnish me any special advice or notice, in writing or otherwise, of the utility's presentment of payment of a draft to my bank or the charging of it of my account.

I further agree that if any such draft be dishonored and returned, the utility shall have the right to treat such draft as if it were a returned check and all rules and regulations for returned checks shall be used accordingly. If any such draft is dishonored, whether with or without cause and whether intentionally or inadvertently, the utility shall have no liability whatsoever if such dishonor results in the disconnection of my water service. The utility reserves the right to terminate this agreement when a draft is dishonored.

This authorization is to remain in effect until revoked by me in writing and until the utility actually receives such notice. I can stop payment of any entry by notifying my financial institution 3 days before my account is charged. This authorization may be revoked at any time within 10 days prior to the billing statement and must be presented in writing to the Pigeon Forge Utility at the address above.
