Happy Summer 2025!

We've been busy with our Super Partners activities since our last newsletter, and we're excited to share what we've been up to!

Mystery Trip – April 16 We surprised everyone with a trip to Mount Airy, North Carolina—better known as Mayberry and the hometown of Andy Griffith! It was such fun watching everyone try to guess our destination.

Barter Theatre – May 8 We enjoyed a fantastic performance of *Million Dollar Quartet*. With wonderful seats and an electrifying show, we might even be guilty of a little Rock 'n' Roll ourselves!

Ireland Adventure – June Thirty-three of our Super Partners traveled to Ireland for nine unforgettable days. The weather was perfect, and the trip was truly delightful.

We hope you'll find an activity on the next few pages that sparks your interest. We look forward to spending time with you as we continue to celebrate friendship, fun, and fellowship in this beautiful world.
