**SECURITY INTERESTS:** All Secured Visa Credit Cards will be secured by funds placed in a Tennessee State Bank personal savings account. Account holder(s) named on the credit card must be identical to account holder(s) listed on the personal savings account. The personal savings account will pay the same interest rate as paid to all savings account holders for the same account type. The funds held on deposit must be 125% of the approved credit line, and must remain on deposit during the entire term of the assignment (e.g. for the minimum credit line of \$400, a security interest of \$500 will be taken on your TSB personal savings account). A separate Assignment of Deposit will be executed to evidence this agreement.

**Charity Cards:** You may elect at application to carry a charity card to show your support of select non-profit organizations for an annual contribution of \$10 per charity card issued on the account. This contribution will be charged to your credit card account at account opening and annually thereafter. One hundred percent (100%) of contributions collected are given to the designated charity. You may cancel this election at any time by calling Credit Card Services at (865) 429-2273. If cancelled, your card will be reissued with a standard design.

**IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT, UPDATING AN ACCOUNT OR PERFORMING TRANSACTIONS**

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens or updates an account or performs transactions.

What this means to you: When you open or update an account or perform a transaction, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents and retain copies of those documents.

When opening or updating an account, we may also ask other information of you required by current regulatory guidance such as if you perform money services business activities; if you may be related to any foreign political official; and what levels of different types of transactions you expect to perform in your account.
