**Security Interests:** All Secured Visa credit cards will be secured by funds placed in a Tennessee State Bank personal savings account. The account holder(s) named on the credit card must be identical to the account holder(s) listed on the personal savings account. The personal savings account will pay the same interest rate as paid to all savings account holders for the same account type. The funds held on deposit must be 125% of the approved credit line, and must remain on deposit during the entire term of the assignment (e.g. for the minimum credit line of \$400, as security interest of \$500 will be taken on your TSB personal savings account). A separate Assignment of Deposit will be executed to evidence this agreement. Collateral securing your existing or future debts to the Bank, if any, may also secure your credit card account, except that any mortgage on your principal dwelling or lien on your household goods will not secure your credit card account.

We reserve the right to close and pay off the account if it is in default. In the event we close the Secured Visa and pay off the balance of your account, we may apply any remaining funds to any other debts of any kind you have with us. Debts include, but are not limited to, loans, credit purchases and debts arising from any other relationship such as check overdrafts, forgeries, or returned deposits. Thereafter, we will refund any remaining funds to you.

You may apply for an unsecured Visa account after your secured Visa account has been open for 1 year. You must complete an unsecured Visa application. Once we receive the application, we will perform underwriting to determine creditworthiness. If the unsecured Visa application is approved, we will transfer any outstanding balance on the secured account to the new unsecured Visa account. The funds being held on the personal savings account will be refunded to you.

### IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT, UPDATING AN ACCOUNT OR PERFORMING TRANSACTIONS

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens or updates an account or performs transactions.

What this means to you: When you open or update an account or perform a transaction, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents and retain copies of those documents.

When opening or updating an account, we may also ask other information of you required by current regulatory guidance such as if you perform money services business activities; if you may be related to any foreign political official; and what levels of different types of transactions you expect to perform in your account.

**Account holder's name and address:** "I" means the account holder named above. If there is more than one, "I" means all account holders jointly and each account holder separately.

TENNESSEE STATE BANK  
2210 PARKWAY  
PIGEON FORGE, TN 37863

which will be referred to as the depository in the rest of this agreement. The collateral includes all funds now in the accounts listed plus all additions of any kind and from any source, made at any time before the release of this agreement in writing.

**Secured debt(s):** This agreement is made to secure the payment of:

all present and future debts, of every kind and description which:

may now or hereafter owe to you, no matter how or when these debts arise. (We intend this paragraph to be very broad. For example, "debts" include loans or credit purchases, made by or transferred to you, as well as debts arising from any other relationship such as check overdrafts, forgeries, or returned deposits. These also include debts arising from any capacity [maker, co-maker, endorser, surety, guarantor].) **Additional terms:** The following terms are also part of this agreement:

- (3) No joint owner, beneficiary, surviving spouse or representative of my estate gets any rights in the collateral in the event of my death or incapacity until the secured debts are paid in full.
- (4) You have the right to withdraw all or any part of the collateral and apply the withdrawal toward the payment of the secured debt(s), even if the withdrawal causes a penalty. If a secured debt is in default you can exercise this right without any notice to me or my consent (unless such notice or consent is required by law and cannot be waived). You have the right to sign my name (or sign your name as my attorney in fact) to exercise the rights given to you in this agreement.
- (5) I represent and promise that no other person or entity has any rights in the collateral that have priority over those I am giving you here and that no part of the collateral is exempt or protected by law from this agreement.
- (6) The rights and remedies I am giving you here are in addition to any stated in any other agreements. If there is more than one debt secured, more than one type of collateral (including collateral outside of this agreement) or more than one debtor liable, it is entirely in your discretion as to the order and timing of remedies you select.
- (7) I neither assume nor am excused from personal liability for any of the secured debts merely by making this agreement; my personal liability will be determined by referring to other documents. I do assume personal liability for the warranties and representations made in this agreement.
- (8) A debt secured by this agreement (whether specifically listed or not) includes all sums that could possibly be due under the debt.
- (9) I specifically request and direct the depository to honor and accept this agreement and its terms.
