Overdraft Service (Credit Card courtesy pay): You may elect to enroll in an overdraft service with your credit card. This service will provide overdraft coverage on a designated checking account. In the event the checking account becomes overdrawn, a Cash Advance in an amount to cover the overdraft will be charged to the credit card in increments of \$50.00 and deposited into the checking account. This service is a Cash Advance and is subject to the Cash Advance APR, but will not incur the Cash Advance fee. The Cash Advance will only occur if the available credit is sufficient on your credit card. There will be a \$10.00 overdraft item fee on the checking account for each debit or check that is covered by this overdraft service. In the event there are not sufficient funds on your credit card to cover the overdraft, the normal checking account overdraft item fee(s) or return item fee(s) will apply.

Charity Cards: You may elect at application to carry a charity card to show your support of select non-profit organizations for an annual contribution of \$10.00 per charity card issued on the account. This contribution will be charged to your credit card account at account opening or when the election is made and annually thereafter. One hundred percent (100%) of contributions collected are given to the designated charity. You may cancel this election at any time by calling Card Services at (865) 429-2273. If cancelled, your card account will be transferred to a card with a new number and standard design.

Security Interests: All Secured Visa credit cards will be secured by funds placed in a Tennessee State Bank personal savings account. The account holder(s) named on the credit card must be identical to the account holder(s) listed on the personal savings account. The personal savings account will pay the same interest rate as paid to all savings account holders for the same account type. The funds held on deposit must be 125% of the approved credit line, and must remain on deposit during the entire term of the assignment (e.g. for the minimum credit line of \$400, as security interest of \$500 will be taken on your TSB personal savings account). A separate Assignment of Deposit will be executed to evidence this agreement. Collateral securing your existing or future debts to the Bank, if any, may also secure your credit card account, except that any mortgage on your principal dwelling or lien on your household goods will not secure your credit card account.

We reserve the right to close and pay off the account if it is in default. In the event we close the Secured Visa and pay off the balance of your account, we may apply any remaining funds to any other debts of any kind you have with us. Debts include, but are not limited to, loans, credit purchases and debts arising from any other relationship such as check overdrafts, forgeries, or returned deposits. Thereafter, we will refund any remaining funds to you.

You may apply for an unsecured Visa account after your secured Visa account has been open for 1 year. You must complete an unsecured Visa application. Once we receive the application, we will perform underwriting to determine creditworthiness. If the unsecured Visa application is approved, we will transfer any outstanding balance on the secured account to the new unsecured Visa account. The funds being held on the personal savings account will be refunded to you.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT, UPDATING AN ACCOUNT OR PERFORMING TRANSACTIONS

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens or updates an account or performs transactions.

What this means to you: When you open or update an account or perform a transaction, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents and retain copies of those documents.

When opening or updating an account, we may also ask other information of you required by current regulatory guidance such as if you perform money services business activities; if you may be related to any foreign political official; and what levels of different types of transactions you expect to perform in your account.
